

Jack Bungling

You may attempt to influence your father on three areas. Please rank them here from highest to lowest and check if you are for or against the issue.

Rank	Issue	For	Against
Highest			
Middle			
Lowest			

You are the only one who gets the explanation for the mechanics behind the system. You get three issues, as does Lydia. John gets two.

The issues are assigned points. Yours are worth 3, 2, and 1 points. John's are 0, 2, and 1. Lydia's are worth 6, 2, 1. You cannot beat Lydia on the first issue, but if the two of you work together, you can beat her on the second and third. A tie will be resolved by a flipped coin.

John Bungling

You may attempt to influence your father on two areas. Please rank them here from highest to lowest and check if you are for or against the issue.
